

'PRAY FOR KENYA' - JULY 2019

24 Wednesday We continue to thank God for the gift of **Marriage**. We have three weddings at TBCN that are scheduled to be celebrated before the end of the year. Pray that these weddings will be a good opportunity to bring the gospel to many family members who are unbelievers, and a reminder of the covenant between Christ and her bride for the believers.

25 Thursday Continue to pray with **Wath Orango TBC** in South Nyanza. Pray that the members of the church will be more fervent in prayer and giving. Pray for David Okinyi Owino who has been identified as gifted for the diaconal office.

26 Friday **EA** is preaching today at the Technical University of Kenya on the Doctrine of Sin. Pray that he will be used of God to clearly bring forth the gospel, which is the power of God unto salvation, that the hearers will have a right view of sin and that many will turn to Christ who receives sinful men.

27 Saturday We thank God for brethren from TBCN who have been visiting **TBC Kasarani** (Nairobi) twice every month. Kevin Mugweru will be preaching there tomorrow. Pray for John Mutangili, that the Lord may grant him strength and wisdom as he leads the church. Pray also that the Lord may provide another man to help John as he also has full responsibility of a school in this rescue mission.

28 Sunday **Ministry** today in Nairobi. Eric Kahure continues to teach in the Adult SS. EA is preaching in the morning worship Service and Elias Otieno, one of the Deacons, in the evening service. We thank God for many gifted men in TBCN who can teach and preach the word with great profit.

29 Monday **Pokot North**. (1) Thank God for the church at Wasat with Peter Nalunyit. The church continues to grow in numbers with a membership of 63 and is in need of an additional elder. (2) The affiliate church of Kwirir also continues to experience high attendance. (3) Also pray for the spiritual growth of the members at Chepkinagh. Pray against all forms of lethargy that are infiltrating.

1 Monday (1) Thank God for brothers Nyagaka and Ebenezer who returned safely from **Funyula** where they stayed for almost 2 months with Simon Ochieng's family. By God's grace they were able to construct the church building. Thank God for provision for resources and labourers (<http://trinitybaptistkenya.org/funyula-construction-june-2019>). (2) Thank God for EA's ministry yesterday at Cooperative University where he preached about 'The Renewal of the Mind'.

2 Tuesday The Africa Pastors' Conference (**APC**) for **Machakos** is today and tomorrow. Isaac Makashinyi (Zambia) and Steven Mena (USA) will be speakers for Machakos, Nairobi and Mombasa, on the subject, 'The Defining Features of a Biblical Church'. Many church leaders have responded positively towards the invitations and we pray there will be much church reformation.

3 Wednesday Thank God with us about the **Family Day** which was on Saturday 1st June. The event was well attended. We considered ways in which we can take care of our aging parents. There were 4 break-out sessions, one for single ladies, one for men, one for the married and another one for the elderly. Pray for fruit.

4 Thursday **APC Nairobi** is for the next 2 days. We expect at least 50 participants. There will be many already sympathetic to the Doctrines of Grace as the number of such churches in Nairobi grows. Please pray again that God will be pleased to use these Conferences to reform churches that are so far from Biblical standards.

5 Friday **Pokot North**. (1) There has been rainfall but famine remains. The roads are in a bad condition due to the rains and as a result the food supply has been hindered. (2) Pray for evangelistic efforts in Nakuyen, Kiwawa and Kapyomot. There are great opportunities, but the labourers are few. (3) Thank God for the preaching of the gospel done at the Pokot Schools every day. Pray that those who take the word (<http://trinitybaptistkenya.org/pokot-north-mission-may-2019>).

6 Saturday (1) Thank God for **Bungoma Town TBC** which continues to grow since its constitution in May. Four new people are due to be interviewed. The church is also experiencing a better attendance in their midweek fellowships, especially Friday afternoon's prayer meeting. (2) Pray for provision for Martin Mukoyan's needs, so that he can focus on shepherding the church.

7 Sunday **Ministry** today. (1) John Muketha is teaching in the Adult Sunday School on Psalm 23. Ken Koome, a TBC member and student at Puritan Reformed Seminary in the States, is preaching in the morning while MI is teaching in the evening worship service. Thank God for the preaching of His Word and pray for its application in the life of those who will hear it. (2) KU is preaching for the first time in Dundee, at Trinity Baptist Church (see <https://tbcdundee.org.uk>).

8 Monday Pray for the **APC Mombasa** which will be hosted by Gospel Missions Agency Church Maweni. The conference will be today and tomorrow. Pray for a good attendance, and that the word of God will be rightly handled. Pray for the speakers, for their physical health as they cope with the heat of this coastal city.

9 Tuesday TBCN. (1) We thank God for the church premises. The Lord has been gracious to us to provide for us a place where we can freely meet and worship all week through. After 30 years, there are major repairs needed and we also desire to construct the parking lot. (2) Pray that the Lord will continue to provide for our needs through the faithful giving of TBCN members for all our ministries.

10 Wednesday Two brethren from Riverside RBC, California are starting teaching the **TPC** today, Unit M The Doctrine of Christ, Robert Elliott and Troy Lamberth. They have both been to Kenya before but will need special help from the Lord to cope with jet lag, and changes in climate and even diet.

11 Thursday The Biblical teaching on the Person and Work of Christ in the **TPC** is obviously of the greatest importance. We are concerned that the students may get more than knowledge, that they will come to love and serve Him with all their hearts, and will powerfully preach Christ and Him crucified.

12 Friday The **APC Nakuru** is today and tomorrow. It is organized by Victor Oduru and hosted by Covenant Baptist Church. There are two church plants in this large town seeking to preach the Doctrines of Grace. The purpose of such a Conference is to target church leaders that their churches might be reformed Biblically.

13 Saturday Pray for today's **Evangelism** in Donholm and Greenfields estates, around the church premises. Together with the TPC students, pray that many members will see the urgency of spreading the gospel and be given in prayer for the day and turn up in good numbers.

14 Sunday Ministry today. (1) Eric Kahure, an Intern and TPC student, is teaching in the Adults SS. Robert Elliot is preaching in the morning worship service and Troy Lamberth in the evening service. (2) KU is preaching again in Charlesworth for the morning service and afternoon Bible study. This is a very small church needing much encouragement as they seek to reach out into their small town.

15 Monday Please continue to pray for the **TPC** teachers and students. We want the teachers to have good rapport with the students so that they can be helped on a personal level. There will be a debate at the end of the classes to encourage them to speak convincingly and precisely.

16 Tuesday For the next two days the **APC** is in **Eldoret**, hosted by Grace Baptist Church, and Naphtally Ogallo one of the pastors. Pray again that the speakers will speak on the level of the participants and relevantly to the situation in their churches. It is not to be taken for granted that brethren can come to another country and speak in a way that connects.

17 Wednesday This is the last day of the present **TPC** classes. The 8 men continue to struggle to complete the work ready for when they return after two months. We believe their ability to be faithful in this is as much training for the ministry as the studies themselves. May they truly be men of God.

18 Thursday Thank God for the **parenting workshop** which was held at TBCN on 29th June on Parenting the Affections of a Child. We pray that both parents and potential parents will see their need for salvation and sanctification if they will succeed in parenting the affections of children towards God, with a love for learning and sexual purity.

19 Friday The final **APC** in Kenya for 2019 will be held for the first time in **Mumias**, hosted by Elly Achok and the Gospel Missions Agency Church there. The church has contact with very many from a Charismatic and Word of Faith background, and we pray that those who come will be deeply challenged to follow the Scriptures instead of their own imaginations.

20 Saturday Pray that God will provide leaders and men able to teach at **Funyula TBC**. Simon Ochieng who serves as the pastor takes up all the 3 Sunday worship ministries: Bible Study, Morning Worship Service and afternoon home fellowship. Pray that the Lord may provide another elder for the church or even short time interns to encourage him and support him with the work there (see 1).

21 Sunday Ministry in Nairobi today. Eric Kahure continues to teach in the Adult SS. MI will preach in the morning and EA in the evening service. May the Lord use them to build up His people and to open the hearts of the unbelievers.

22 Monday The gospel is for all the people, both young and old. We thank God for the **SS Teachers** at TBCN who are committed to teach the young ones. The young children are going through the catechism and the older ones the Ten Commandments. Pray that these little ones will understand the gospel at an early age and that more teachers will avail themselves to serve in teaching the children.

23 Tuesday Please pray for the **Young Adults** and the **Family Fellowship** at TBCN as they meet every 3rd Sunday of the month. The Young Adults are doing an overview of the Old Testament books and are currently on 2 Chronicles. Those in the Family Fellowship have been looking at the roles of the church and how they benefit the family.
