

TRINITY BAPTIST CHURCH  
WEST POKOT YOUTH CAMP 2019 REPORT

We thank our Lord for the way we are bringing up the young people in the sound doctrine for the future church. St. Paul told Timothy " you then, my child, be strengthened by the grace that is in Christ Jesus, and what you have heard from me in the presence of many witnesses entrust to faithful men who will be able to teach others also. " 1 Timothy 2:1,2.

Youth Camp 2019 was held in Trinity Baptist church Kamketo. More than 100 youths from more than 7 congregations attended the camp. No one came from Wasat, Kwirir, Kiwawa or Apyr.

We maintained the theme of the year " **Defining features of a biblical church** " whereby we taught during Men's camp, Ladies camp and finally in youth camp. We were four speakers:

- 1) Pastor Thomas - It saturates itself in prayers.
- 2) Pastor Patricko - The church as the Body of Christ.
- 3) Pastor Joshua - It is led by Biblical Pastors and Elders .
- 4) Pastor Waswa - It promotes personal discipleship and growth of the church.

We gave out a chance for one of the eight students who attended high school camp Nairobi to give out the report from Nairobi on behalf of the team that went before us and other youths. The report was full of encouragements and challenges to the young people. Most of them wished come next year to attend high school camp Nairobi and experience by their own. He said that the teachings was good and they were blessed. The programme and accommodation was okay including Saturday Christmas Cantata that was held. Finally they were blessed by the teachings and preachings on Sunday.

We believe that our teachings to this young people in the camp was of a great blessing for most of them this is because during the question time they asked so many questions to which were able to answer clearly basing on the scriptures. We were interrupted on the last day by the government programme of mentorship to young people being held at the same venue thus we closed the camp early.

Pray for them to have sincere Faith, not being ashamed of the testimony about our Lord to others, to flee youthful passions and pursue righteousness faith love and peace along with those who call on the Lord from pure heart.

The camp teachings have actually brought a light and changes in the life of several young people in the congregations. Most of them are not now following evil cultural way of living and practices rather they are believing in the gospel of Christ alone and the way they are supposed to live as Christians. Glory be to God alone.

We pray that God will provide young people from these group who will present themselves to God as approved workers who have no need to be ashamed, rightly handling the word of God ready in season and out of season for the better church of Christ.

Grace be with you all. Amen.
